

GXP1200

ENTRY LEVEL 2-LINE IP PHONE

The GXP1200 is a very affordable 2-line entry-level SIP phone that delivers excellent sound quality and advanced feature set. The GXP1200 supports traditional telephony features such as caller id, call waiting, mute, park, hold, transfer and voicemail as well as advanced enterprise features such as 3-way conferencing and custom ring-tones for distinctive call handling.

The GXP1200 also features dual 10/100mbps auto-sensing Ethernet ports with integrated Power over Ethernet, headset jack, and central configuration for mass deployment. Its easy installation, hands-free duplex speaker-phone, backlit graphic LCD display and eight dedicated function keys make the GXP1200 a very cost-effective choice for any business that needs a feature rich two line IP phone.

THE MOST COST-EFFECTIVE SOLUTION, TWO LINE IP PHONE.
