

GXP2020

6-LINE ENTERPRISE IP PHONE

The GXP2020 Enterprise SIP phone's new design and enhanced features address the need for an elegant IP handset solution for the executive office at a highly competitive price. The GXP2020 provides excellent voice clarity, a comprehensive set of advanced call features and automated provisioning.

The GXP2020 features 6 lines, 7 programmable keys, 4 dynamic context-sensitive soft keys, dual switched 10M/100Mbps auto-sensing Ethernet ports with integrated PoE, a backlit 320x160 high resolution graphic LCD with multi-level grey scales, as well as automated provisioning for mass deployment. The GXP2020 is the second phone in the GXP Enterprise SIP Phone portfolio. It is ideal for both the executive office and advanced enterprise users.
